**Explanation of Responses:**

1. These shares were granted pursuant to a restricted stock unit award. 100,000 of the units are subject to time-based vesting and 100,000 of the units are subject to performance-based vesting. 25,000 time-based units will vest on August 1, 2025 and 75,000 time-based units will vest on August 1, 2026, so long as the reporting person continues to serve as an employee of the issuer through each vesting date. Subject to the achievement of specified late-stage clinical and regulatory milestones of the issuer on or before July 29, 2028, half of the performance-based units will vest one year after the achievement of two of three of the milestones, and the remaining 50,000 of the performance-based units will vest on the date one year after the achievement of all three of the milestones, in each case subject to the grantee's continued employment with the issuer through each such vesting date.
